PRO KIT FOR GRASS ROOTS

WHĀNAU CUSTOMISABLE ON-FIELD KIT

At Whānau we're not just another out of the box kit supplier. We understand first hand how important professional technical kit is and we bring that knowledge to your grassroots club with an honest, in depth consultancy that ensures you get the best kit for YOUR team.

When you join the Whānau family you have our promise of unrivalled service and quality with a full range of kit that gives your team a unique presence, on and off the field.

WE ARE TOUGH

Just like the pro's wear, designed by those who know, our kit is made to last.

WE ARE ETHICAL

We strive to source as ethically as possible in respect to materials, production methods, packaging and shipping.

WE ARE UNIQUE

Our designs are inspired by our Māori heritage to give you a unique on and off field presence.

TOGETHER WE ARE WHĀNAU

Whānau, pronounced Far-No, is the Māori word for an extended family or community of families. A word that embodies the proud connection to our Māori heritage.

WHĀNAU KIT

<p>RUGBY p 5-6</p> 	<p>FOOTBALL p 7-8</p> 	<p>HOCKEY p 9-10</p> 	<p>NETBALL p 11-12</p> 	<p>CRICKET p 13-15</p> 
				

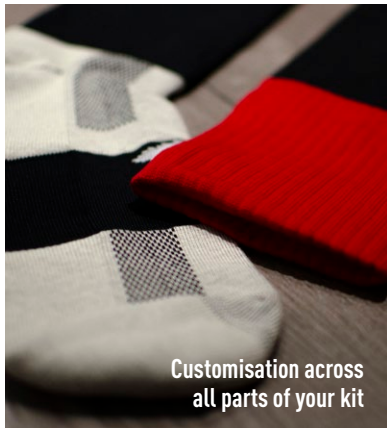

CUSTOMISATION DESIGN SERVICE AS STANDARD

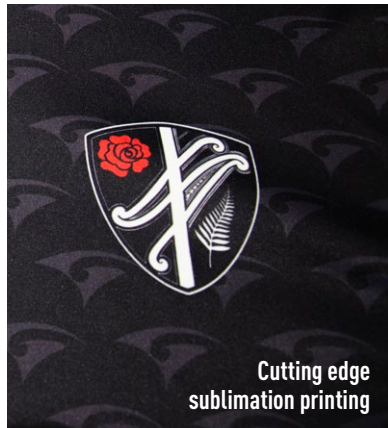

Our unique Māori inspired designs form the basis for your kit and working with our design team you have full control over customisation - colours, badges, sponsors positions, numbering and naming fonts. You can even add your own specific design features. You can also choose from a variety of fit, sleeve and collar types and we offer a broad selection of sizes. We don't start kit manufacture until you're 100% happy with your design and we'll keep you informed of your kit progress every step of the way.

**FREE
KIT BAG**
WITH YOUR ORDER

Please note the above is what we advise you to buy based on your body measurements.

Sizing

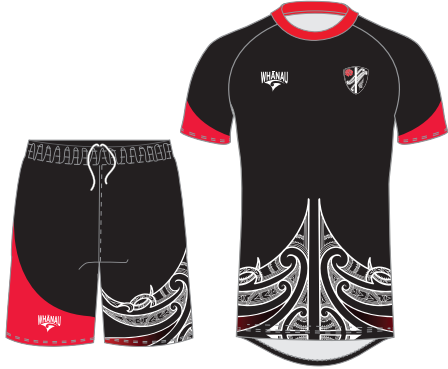

We know that sizing can be confusing and that everyone has their own fit preferences. The chart opposite is a good starting guide but there's no substitute for trying things on. If you're unsure please let us know and we can provide sample sizes for you to try on.
